

Local and Community History Month

# Kirklees Curiosities

A website created to record any oddities across Kirklees that may easily disappear from local knowledge unless they are recorded now. The intention is to photograph and record them as a lasting reminder as well as finding out more information about them when possible.

**Tuesday 23<sup>rd</sup> May, 2.30-3.30, Kirkburton Library**

One of the very early parishes in Kirklees, with a church dating back to at least the 13th century, but can we find any curiosities?

To find out more or to book a place, see our website at [www.kirklees.gov.uk/HistoryMonth](http://www.kirklees.gov.uk/HistoryMonth) or call 01484 414868 and say the name of the library you require.
